

English Curriculum Reading

Learning Objectives for Years 1 and 2

To read words accurately:

- Apply phonic knowledge and skills as the route to decode words.
- Respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes, including, where applicable, alternative sounds for graphemes.
- Read accurately by blending sounds in unfamiliar words containing GPCs that have been taught.
- Read common exception words, noting unusual correspondences between spelling and sound and where these occur in the word.
- Read words containing taught GPCs and –s, –es, –ing, –ed, –er and –est endings.
- Read other words of more than one syllable that contain taught GPCs.
- Read words with contractions (for example, I'm, I'll, we'll) and understand that the apostrophe represents the omitted letter(s).
- Read aloud accurately books that are consistent with phonic knowledge and that do not require other strategies to work out words.
- Re-read these books to build up fluency and confidence in word reading.
- Read accurately by blending the sounds in words that contain the graphemes taught so far, especially recognising alternative sounds for graphemes.
- Read accurately words of two or more syllables that contain the same graphemes as above.
- Read words containing common suffixes.
- Read common exception words, noting unusual correspondences between spelling and sound and where these occur in the word.
- Read most words quickly and accurately, without overt sounding and blending, when they have been frequently encountered.
- Read aloud books closely matched to their improving phonic knowledge, sounding out unfamiliar words accurately, automatically and without undue hesitation.
- Re-read books to build up fluency and confidence in word reading.
