Dear Parents/Carers,

I am writing to you regarding parental behaviour. This week alone, four members of staff have raised concerns about the way that they have been spoken to by parents at their place of work, either over the telephone, in the playground, in the school office or during extra-curricular activities.

Within our 'Home School Agreement' it states that Parents/Carers will 'Communicate with all members of the school community with respect' and 'When communicating with members of the school community, behave in a safe and respectful manner'. As a school, we will not tolerate abuse of any kind. I do not want to be in a position where I am having to restrict access to school for individuals for a fixed period of time.

I know that the overwhelming majority of you always show respect, kindness and support for my team and I would like to thank you as always for this.

Yours faithfully,

Mrs J Carvell  
Headteacher
