

RECYCLE YOUR INK CARTRIDGES

And raise funds for our school!

If you are anything like us, home schooling has meant we have been buying more printer ink than usual so we thought we would make it easy for you to recycle your ink cartridges and raise funds for the school.

The PTA are working with a company called 'Empties Please'. They collect and recycle used ink and toner cartridges the environmentally friendly way and will donate the money raised back to us!

It's very simple. All we have to do is collect used ink cartridges* and put them in our recycle bin. 'Empties Please' will collect the bin when it's full and then donate the money raised straight back to our school.

You can collect ink cartridges from absolutely anywhere; school, work, home, clubs, friends and family.

For the time being, please drop cartridges off in the recycling bin in the porch at 45 Yew Tree Lane. Please **do not** take them to school. Once everyone is back at school, we hope to arrange a collection point at Vernon Primary.

*To view what empty ink cartridges can be recycled, please visit www.emptiesplease.com
