Reading Hub Competition!

Dear Parents/Carers

I launched a competition just before the summer holidays and as it was such a busy time at the end of term, I would like to extend this for a few more weeks to give children plenty of time to participate if they wish.

As you know, we have been developing our school 'Reading Hub' over the last 6 months and it is looking fantastic so far! A huge **THANK YOU** to all the children and staff who have been contributing to the new space! The new Usborne books are now on display and many children across the school are already enjoying spending time in the area. We would now like to make this space even more inviting...a little something to add to our Reading Hub! The glass display cabinets at the entrance of the hub are currently completely empty and we would love to fill them with something beautiful.

I would like to invite children to create their own '**Book Setting in a Shoebox!**' This **diorama** can depict any favourite setting from a children's book. It should include **labels** to show the book from which it has been chosen and could even include **descriptions** of the setting from the book itself! The children can be as creative and as imaginative with this project as they wish! The very best shoebox scenes will be displayed in our glass cabinet for all visitors, staff and children to see (there will also be some prizes on offer too!). The only rule is that a shoebox must be used! I cannot wait to see all the entries – the new closing date is **Monday 11th October**. Please bring all entries in to the classrooms and I will collect these as they come in.

Yours faithfully

Mrs S McNeil
Assistant Headteacher/English Subject Leader

Nobody else is quite like me'
