Dear Parents/Carers,

I am writing to provide an update as we come towards the end of a long and busy half term. We have been very proud of the children this half term and have enjoyed celebrating their achievements. The children have also taken part in some wonderful enrichment and awareness activities, such as Superhero Day in Year 2, Minibeast Day in Year 1 and the whole school participation in 'Red Card to Racism' day. I would also like to take this opportunity to congratulate one of our talented Year 6 children, Ariana Dar, who has recently been furthering her acting career and filming for a mainstream soap opera, which will be on our screens very soon! Well done Ariana!

I would like to thank you for adapting once again to an online Parents Evening, which I hope you found useful and informative. I hope that our next parents evening in February will be able to take place face-to-face in the hall as planned.

As you will be aware from my letters throughout this term, we have had some absence in the last few weeks due to Covid cases as well as higher levels than normal of non-Covid illnesses. I am pleased that this has not impacted on the quality of education or learning in school. We have all demonstrated resilience and a positive approach to the challenges of Covid this half term; it is testament to all concerned that we are operating so effectively despite these challenges.

Over the last few weeks, we have continued to liaise with Public Health England and Cheshire East. After half term, we will continue with the current measures which are in place until advised to remove them. Although we are approaching the colder winter months, we will continue to maintain high levels of ventilation in classrooms. Please ensure that your child wears any additional layers under their uniform for warmth.

Thank you as always for your support and I hope you all have an enjoyable half term holiday. We return to school on **Tuesday 2nd November** after our Monday INSET day for staff.

Yours faithfully,

Mrs J Carvell
